

## **Fight For Freedom –Terry Bradford**

I got my sign up  
I'm shout'n loud  
No matter what  
You'll see my face in the crowd  
Marchin' headstrong  
No stoppin' now  
Keep keepin' on  
Keep on till my final bow

### **RISE UP!!**

I raised my right hand  
And with my voice  
I took a stand  
I'm making freedom my choice  
And for this great land  
I will not pause  
I'm rooted in  
I do believe in the cause

**We are the hope for which our fathers died**  
**The future, our mother's pride**  
**We came through centuries from far and wide**  
**For freedom**  
**We fight fight fight fight**

**Take it to the street**  
**Everybody**  
**Rage against the Beat**  
**Fight for freedom**

**Take it to the street**  
**Move your body**  
**Rage against the Beat**  
**Fight for freedom**

She holds her torch high  
She lights the door  
Her welcome cry  
Give me your tired your poor  
And as her keeper  
I will not bend  
Liberty

I duly pledge to defend

**We are the hope for which our fathers died  
The future, our mother's pride  
We came through centuries from far and wide  
For freedom  
We fight fight fight fight**

**Take it to the street  
Everybody  
Rage against the Beat  
Fight for freedom**

**Take it to the street  
Move your body  
Rage against the Beat  
Fight for freedom**

We will turn every page  
Find new ways to do what's  
Right for freedom **OH OH OH OH OH OH**  
Fight for freedom  
'Cause we are proud and brave  
And not afraid to use our  
Might for freedom **OH OH OH OH OH OH**  
Fight for freedom

**Take it to the street  
Everybody  
Rage against the Beat  
Fight for freedom**

**Take it to the street  
Move your body  
Rage against the Beat  
Fight for freedom**

Fired up and ready to  
**Go go**  
I'm ready to  
**Go go**

**Take it to the street  
Everybody  
Rage against the Beat**

**Fight for freedom**

**Take it to the street  
Move your body  
Rage against the Beat  
Fight for freedom**

**Go go**  
I'm ready to  
**Go go Fight for freedom**  
Oh I'm ready to  
Go go  
I'm ready to  
Go go  
**Fired Up**
